 - b. SSAA Match 12 Service Pistol;
 - c. WA48; and
 - d. Teams Tiles Match.
10. All matches will be conducted as open competition and no grading will apply. All competitors will be required to engage in range duties including scoring and patching.
11. A detailed list of the pistol match serials is attached at **Annex C**.

TIMINGS

12. Detailed Timings/Sequence of Events is at **Annex D**

RANGE APPOINTMENTS

13. The range appointments for the pistol competition are as follows:
 - a. OIC Practice-Pistol: Dave Fergus-Club Captain. TPC;
 - b. Chief Safety Officer: John Taylor TPC;
 - c. Range Officer-Range 4: Grant Prendergast TPC;
 - d. Range Officer-Range 5: Ian Foster TPC;
 - e. Range 2 and 3 if required: TBA TPC; and
 - f. Scorer and registration: Paul Brial TPC

RANGE CONDUCT

14. The OIC is to give the conduct brief to the competitor group and the safety officer, the safety brief, prior to the commencement of the competition.
15. All competitors will be assigned to a detail in accordance with the squadding matrix which will be distributed prior to the Meet dates and displayed on-site.
16. The competition will be conducted in accordance with SSAA and WA1500 competition rules at **Ref E and F**.

COMPETITORS

17. The competition is open to any suitably licensed and qualified pistol/revolver owner with the condition that a competitor must be a member of SSAA, APA, or Pistol Australia and hold an NSW H class licence or interstate equivalent, or

be a member of NSW Police Force or ADF on duty. A holster qualification is not required for the matches. Competitors are to produce their licence at registration.

COMPETENCY

18. All competitors are to be competent in the use of their firearm. No coaching is permitted and no P650 forms are to be utilised. The range officers have absolute discretion to stand a competitor down if they consider that person to be unsafe.

SANCTIONED PISTOL MATCH

19. Matches 1 and 12 are sanctioned SSAA matches. Graded SSAA competitors are to bring their grading card for score recording.

ENTRIES

20. The combined entry form and fee calculator is attached at **Annex E** and will be published on the TPVRC and TPC websites.
21. Entries may be made online or by ordinary post and addressed to the Treasurer TAMSAM at the postal address above or to the email address designated on the websites and on the entry form.
22. Entry fees may be paid by cheque to the Treasurer of TAMSAM or by EFT to the bank account designated on the websites and entry form.
23. Competitors should note that the maximum capacity for the Pistol Competition is 60 shooters. This is dictated by time and space on each range. Priority for a place in the pistol matches will be given to competitors who are also entered in the TAMSAM rifle matches.
24. Competitors may elect to withdraw from any match at any time, however entry fees are non-refundable and will be used to good effect in promoting further TAMSAM events.

COMPETITOR PACKAGE

25. Upon registration, competitors will be given a numbered envelope. The number is the competitor's entry number and determines squadding. The envelope will also contain:
 - a. Scoring sheets for each match entered; and
 - b. Match serials cards showing details of each match.

FIREARMS

26. The types and classes of firearms that may be used in the various matches are set out at **Annex F** and in **Ref E-H**. Sole discretion to determine what category a firearms falls into rests with the TPC OIC practice and Armourer.

AMMUNITION

27. All ammunition is to comply with the requirements in **Ref E**.

PRIZES AND AWARDS

28. Medals and firearm related prizes provided by sponsors will be presented to successful competitors IAW the table set out at Annex H of **Ref B**.
29. In addition, the Team Tiles Match, which does not attract an entry fee, attracts a prize selected by the committee rather than medals.

DRESS AND EQUIPMENT

30. All competitors and range support staff on or within 20 metres of any live range are to wear eye, hearing and foot protection.
31. All competitors are required to bring a lockable pistol box to secure pistols before and after competing. A bike chain is encouraged.
32. A list of mandatory and optional equipment is at **Annex G**.

STORES

33. The list of stores required to conduct the pistol competition is attached at **Annex H**.
34. The OIC Pistol is to ensure the stores are held/obtained/purchased where appropriate, available and transported to the range by no later than the Wednesday prior to the shoot so as to be available for the advance party.

FRESH RATIONS

35. The fresh ration list is attached at **Annex I**. TPC Club caterer is to arrange purchase of the fresh rations listed and to ensure that sufficient fresh rations are held to cater for 60 competitors and 15 support staff for lunch.
36. The TPC kitchen is to be utilized for the preparation of BBQ meals for sale to competitors. The TAMSAM Auxiliary team will provide catering support. BBQ type meals and tea/coffee will be available throughout the day.

SAFETY

37. Safety is paramount. Any person may call a halt to firing at any time if they have safety concerns. The TAMSAM Risk Analysis and Risk Management Plan attached to **Ref A** applies to the pistol competition.
38. A Safety Brief will be given to all persons on the Range by the Safety Officer prior to the commencement of any firing. The Safety Brief is attached at **Annex J**.
39. The Ranges are non-smoking areas anywhere forward of the car-park at TPC, and no alcohol is to be consumed until all firing has ceased for the day.

40. Red flags are to be flown in accordance with Range Standing Orders at all times during live firing. Range officers are to wear a red vest and safety officers a yellow vest.

COMMUNICATIONS

41. UHF radios will be issued to all key range appointment holders on channel 27. The OIC Practice (callsign OIC) is to have UHF communication with the following at all times:
 - a. Chief Safety Officer (Callsign Safety);
 - b. Range Officer Range 2 (Callsign Range 2)
 - c. Range Officer Range 3 (Callsign Range 3);
 - d. Range Officer Range 4 (Callsign Range 4);
 - e. Range Officer Range 5 (Callsign Range 5);
 - f. Registration Desk (Callsign Desk); and
42. A Net Diagram is attached at **Annex K**. Range officers are to remain in communication with the OIC Practice at all times. If communications fail the practice is to stop until they are re-established.

MEDICAL

43. TPC range is within full mobile phone coverage area. Any casualty evacuation will be by Tamworth based ambulance, co-ordinated through "000".
44. Minor injuries will be transported by TPC to Tamworth base Hospital A&E if professional treatment is required.
45. Medical kits are permanently affixed to each of the ranges at TPC.

SECURITY

46. Competitors remain responsible for the security of their own firearms and ammunition. TPC will not provide secure storage during the Meet. A reminder that in NSW, pistols and ammunition must be transported in separate locked containers. It is suggested that pistol shooters bring a lockable box with bike chain to the range.

ARMOURER

47. The TPC armourer will be available to the rear of Range 5.

DUTY OFFICER

48. A duty officer will be available by phone to all competitors from 0800 hrs Thu 24 Mar 2022 continuously through until 1700hrs Sun. Contact particulars will be issued closer to the date to all competitors and staff.

ACCOMMODATION

49. Rustic camping accommodation is available at TPC Thu, Friday and Sat nights. This consists of some van parking space, limited toilet facilities (one male, one female) and large indoor swag space with lighting and electricity.
50. Visiting competitors wishing to make use of these facilities should so indicate on the nomination form.
51. A wide range of motels, hotels, and caravan parks are available nearby in Tamworth.

ADVANCE PARTY

52. TPC is to arrange an advance party to stand up from 0800hrs Thu 24 Mar 2022. A list of essential tasks for the advance party is attached at **Annex L**.

WAIVER OF LEGAL LIABILITY

53. Live fire range competition is a dangerous recreational activity within the meaning of sect 5M of the Civil Liability Act 2003 (NSW). All competitors and range support staff by submitting an entry form or volunteering to provide support acknowledge that they have been warned of the risk of personal injury from engaging in this activity. This warning is given on behalf of TPC and N51 SSAA.

CONCLUSION

54. The pistol component of TAMSAM will provide 1 day of intense and demanding Milsurp/ Police issue service competition. As the threshold event to TAMSAM22 the pistol competition in 2022 will lay the groundwork for an expanded shooting meet in future years and fill the need for civilian military pistol shooting competition that is presently lacking in Australia.
55. Close attention to detail by all competitors and support staff will ensure a safe and enjoyable competition.

SAFETY BRIEF

General

1. All key appointment holders must be familiar with the safety requirements of **Ref D to F**.

Communications

2. Communications with OIC Practice (OIC) must be maintained at all times. If comms **fail**, the practice is to **stop** until comms are re-established.

Range Control

3. Directives from OIC are to be carried out promptly.

Conduct and Safety Brief

4. Prior to commencement of the competition, a conduct brief must be given by the OIC followed by safety brief by the Chief Safety Officer (CSO) to all those present and must include the points listed below.

Safety Brief to Firers

5. Range safety is the responsibility of everyone on the range. The Range Officer (RO) and Safety Officers are responsible for supervising your actions but you, the firers, are also responsible for your own actions when handling a firearm.'
6. This competition involves you in engaging targets at 50-7 yards. You will be changing firing positions during the shoots.
7. The points to note are:
 - a. Firearm Handling:
 - (1) Ensure firearms are pointed in a safe direction at all times when loaded.
 - (2) Action on a stoppage occurring.
 - (3) Action to be taken if muzzle becomes blocked
 - (4) Condition of firearms during a practice involving a change of fire position.
 - b. Range Safety:
 - (1) Emergency signal to cease fire and action to be taken on hearing/seeing that signal.
 - (2) Position of the first aid kit.
 - (3) All commands by the Range Officer and appointed Assistant Range Officers are to be obeyed instantly and without fail.
 - (4) All firearms must be cleared by an authorised Range Officer before

- their placement in holsters or removal from the firing point.
- (5) Before competition/practice, competitors are not to holster their pistols until authorised by an appointed range / safety officer.
 - (6) All pistols are to remain holstered or cased until otherwise directed by the range officer.
 - (7) Firearms are not to be handled unless on the firing line or in a designated safe area.
 - (8) There is to be no handling of firearms whilst competitors are down range.
 - (9) Pistols are to be taken from carry bags only in a designated safe area or at the firing line, under the supervision of a Range Officer, or, another competitor should a Range Officer not be in attendance.
 - (10) All firing is to be on the command of the Range Officer. All range commands, i.e. "Load, Action, Fire, Cease Fire, Unload and Show Clear" and whistle blasts are at all times to be complied with.
 - (11) Safety catches are to be applied when in the "Action" condition.
 - (12) When on the firing line, firearms are to be pointing down range at all times. Fingers are to remain off triggers and outside the trigger guards, unless actually firing.
 - (13) Spectators are to remain behind the defined Safety Line
 - (14) No one is to enter a designated safe area with a firearm unless it has been cleared by an appointed Range / Safety officer. Absolutely no ammunition is to be taken into a designated "Safe Area".
 - (15) In the event of an 'accidental discharge' (AD) / 'unauthorised discharge' (UD), the Range Officer will call "Stop". On this command, all competitors are to apply safety mechanisms and keep their firearms pointed down range, until the Range Officer has investigated the reason for the AD / UD. Any competitor responsible for an AD / UD will be suspended from that detail and asked to show cause for not being suspended from that day's shooting. The Range Officer's discretion will apply and be final.
 - (16) In the event of a misfire, a competitor must not open the action of the pistol for at least 30 seconds, during which time the pistol must continue to be pointed down range. It is the competitor's responsibility to inform the Range Officer immediately of any such occurrence. If the extracted round shows a firing pin indentation, another round shall be allowed and the competitor allowed to continue the event.
 - (17) Persons who fail to abide by the above rules and orders may be expelled from the range at the absolute discretion of the Range Officer.

Safety Officer

8. The Safety Officer is to make certain that the following takes place:
 - a. all firers are aware of the safety requirements of their range;
 - b. smoking/no smoking areas are pointed out and understood by all;
 - c. only authorised pers to be near the firing line;
 - d. Safe handing area designated; and
 - e. all competitors and range staff are to have hearing, eye and foot protection.

Accidents/Incidents

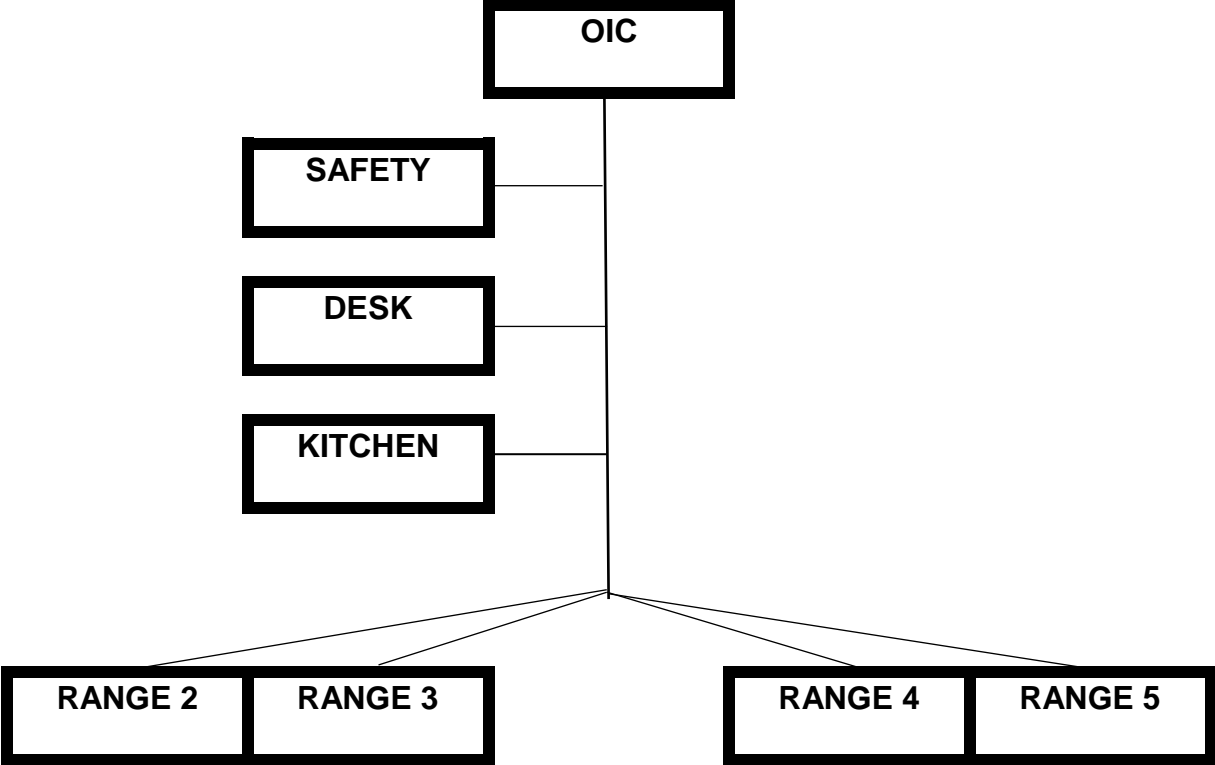

9. All accidents/incidents are to be reported through the OIC Practice immediately.

Conclusion

10. Safety is paramount. If at any time you are unsure on any safety issue **STOP** and ask.
