GENERAL

1. The TAMSAM Joint Sub-Committee incorporating Tamworth Peel Valley Rifle Club (TPVRC), Tamworth Pistol Club (TPC), and N51 of SSAA (N51) will host an open 3 day Skill-At-Arms Meet at Tamworth Fri 25 to Sun 27 March 2022 (TAMSAM22).
2. As part of the Meet, TPVRC will conduct an open Service Rifle competition on Sat 26 March 2022 and Sun 27 Mar 2022, being the second and third day of the 3 day Meet.

AIM

3. The aim of this instruction is to detail the conduct and administration of the Rifle Competition.
4. The aim of the Rifle Competition is foster individual and team small arms marksmanship and contribute to the entrenching of a key regional NSW calendar event for civilian service shooting providing a range of competition types as part of TAMSAM.

OBJECTIVES

5. The objective of the Rifle Competition is, as part of TAMSAM, to conduct a safe series of Rifle matches over two days.

RANGE LOCATION and LAYOUT

6. The Rifle competitions will be conducted on the Sat-Sun of TAMSAM at Tamworth Rifle Club, Monteray Road, Loomberah via Tamworth. TPVRC range location is shown on the map at **Annex A**.
7. A layout of the range at TPVRC is attached at **Annex B**. The 300-to-100 firing points will be utilised.

GENERAL OUTLINE

8. The general outline of the Rifle competition is as follows:
 - a. Registrations desk opens 0730hrs Sat and Sun;
 - b. Conduct and Safety brief 0815hrs daily;
 - c. Commence competition 0830hrs daily;
 - d. Lunch break 1200-1230hrs;
 - e. Continue competition 1230hrs;
 - f. Complete practice 1700hrs Sat and 1400hrs Sun; and
 - g. Presentations 1500hrs Sun.

MATCHES

9. The matches to be conducted will be:
 - a. 300m LUS deliberate, rapid and single snap on type B target;
 - b. 200m sitting rapid and single snap on fig 11 and 12 target;
 - c. 100m standing single snap on fig 12;
 - d. 100-50 Precision match on the Sunday.
10. All matches will be conducted as open competition and no grading will apply. All competitors will be required to engage in range duties including scoring and patching.
11. A detailed list of the Rifle match serials is attached at **Annex C**.

TIMINGS

12. Detailed Timings/Sequence of Events is at **Annex D**

TPVRC INTERNAL BROCHURE

13. A copy of the TPVRC brochure for the rifle part of the meet, and in the format with which

TPVRC club members are familiar, is attached at **Annex E**.

RANGE APPOINTMENTS

14. The range appointments for the Rifle competition are as follows:
 - a. OIC Practice-Rifle: Max Collins-Club Captain. TPVRC;
 - b. Chief Safety Officer: Dave Guilford TPVRC;
 - c. Safety Officer: Ted Cutler TPVRC
 - d. Safety Officer Nigel Reeves TPVRC
 - e. Safety Officer Gary Sawle TPVRC
 - f. Safety Officer John Colbertaldo TPVRC
 - g. Safety Officer John Webber TPVRC
 - h. Scorer/registration: Max Collins TPVRC

RANGE CONDUCT

- 15 The OIC is to give the conduct brief to the competitor group and the safety officer, the safety brief, prior to the commencement of the competition daily.
16. All competitors will be assigned to a detail in accordance with the squadding matrix which will be distributed prior to the Meet dates and displayed on-site.
17. The competition will be conducted in accordance with NRAA rules at **Ref E**.

COMPETITORS

18. The competition is open to any suitably licensed and qualified Rifle owner with the condition that a competitor must be a member of SSAA, NRAA or other rifle target association recognised by the NSW firearms legislation or interstate equivalent, or be a member of NSW Police Force or ADF on duty. A civilian competitor's licence must have "Target" endorsement or interstate equivalent.

COMPETENCY

19. All competitors are to be competent in the use of their firearm. No coaching is permitted and no P650 forms are to be utilised. The range officers have absolute discretion to stand a competitor down if they consider that person to be unsafe.

NON SSAA SANCTIONED RIFLE MATCH

20. The rifle competition component of TAMSAM is conducted under NRAA rules and is not an SSAA sanctioned match.

ENTRIES

21. The combined entry form and fee calculator is attached at **Annex F** and will be published on the TPVRC and TPC websites.

22. Entries may be made online or by ordinary post and addressed to the Treasurer TAMSAM at the postal address above or to the email address designated on the websites and on the entry form.
23. Entry fees may be paid by cheque to the Treasurer of TAMSAM or by EFT to the bank account designated on the websites and entry form.
24. Competitors should note that the maximum capacity for the Rifle Competition is 60 shooters. This is dictated by time and space on each range. Priority for places will be given to competitors entering the Saturday and Sunday competition.
25. Competitors may elect to withdraw from any match at any time, however entry fees are non-refundable and will be used to good effect in promoting further TAMSAM events.

COMPETITOR PACKAGE

26. Upon registration, competitors will be given a numbered envelope. The number is the competitor's entry number and determines squadding. The envelope will also contain:
 - a. Scoring sheet for the 300m deliberate match;
 - b. Team entry forms;
 - c. Match serials cards showing details of the precision match;
 - d. A morale patch for TAMSAM22; and
 - e. A validation questionnaire.

FIREARMS

27. The types and classes of firearms that may be used in the various matches are set out at **Annex G** and in **Ref E**. Sole discretion to determine what category a firearms falls into rests with the TPVRC OIC practice.
28. Competitors may use a different firearm in the CQB match on the Sunday, provided it is of the same class as used on the Saturday.

AMMUNITION

29. All ammunition is to comply with the requirements in **Ref E**.

PRIZES AND AWARDS

30. Medals and firearm related prizes provided by sponsors will be presented to successful competitors IAW the table set out at Annex H of **Ref A**.
31. In addition to the rifle awards, an overall TAMSAM "as issued" trophy will be awarded.

COMMUNICATIONS

32. The OIC Practice (callsign Mound) is to have UHF communication on channel 27 with the following at all times:

- a. Chief Safety Officer (Callsign Safety);
- b. Butts Officer (Callsign Butts)
- c. Registration Desk (Callsign Desk);

33. If communications fail the practice is to stop until they are re-established.

34. A Net Diagram is attached at **Annex H**.

DRESS AND EQUIPMENT

35. All competitors and range support staff on or within 20 metres of any firing point are to wear eye, hearing and foot protection.

36. All competitors are required to bring a lockable box to secure ammunition before and after competing.

37. A list of mandatory and optional equipment is at **Annex I**.

STORES

38. The list of stores required to conduct the Rifle competition is attached at **Annex J**.

39. The OIC Rifle is to ensure the stores are held/obtained/purchased where appropriate, available and transported to the range by no later than the Friday prior to the shoot so as to be available for the advance party.

FRESH RATIONS

40. The fresh ration list is attached at **Annex K**. TPVRC Club caterer is to arrange purchase of the fresh rations listed and to ensure that sufficient fresh rations are held to cater for 60 competitors and 10 support staff for lunch Sat and Sun.

41. The TPVRC kitchen is to be established for the preparation of BBQ meals. The TAMSAM Auxiliary team will provide catering support. BBQ type meals are included in the entry fee for rifle and tea/coffee will be available throughout the day.

SAFETY

42. Safety is paramount. Any person may call a halt to firing at any time if they have safety concerns. The TAMSAM Risk Analysis and Risk Management Plan attached to **Ref A** applies to the Rifle competition.

43. A Safety Brief will be given to all persons on the Range by the Safety Officer prior to the commencement of any firing. The Safety Brief is attached at **Annex L**.

44. The Ranges are non-smoking areas anywhere within 10 metres of the firing points and within the Butts at TPVRC. No alcohol is to be consumed until all firing has ceased for the day.

45. Red flags are to be flown in accordance with Range Standing Orders at all times during live firing. Range officers are to wear a red vest and safety officers a yellow vest.

MEDICAL

46. TPVRC range is within mobile phone coverage. Any casualty evacuation will be by Tamworth based ambulance, co-ordinated through "000".
47. Minor injuries will be transported by TPVRC to Tamworth base Hospital A&E if professional treatment is required.
48. A Medical kit is to be located on the active firing mound and in the Butts.

SECURITY

49. Competitors remain responsible for the security of their own firearms and ammunition. TPVRC will not provide secure storage during the Meet. A reminder that in NSW, ammunition must be transported in a locked container.

ARMOURER

50. An armourer will be available to the rear of the firing point.

DUTY OFFICER

51. A duty officer will be available by phone to all competitors from 0800 hrs Thu 24 Mar 2022 continuously through until 1700hrs Sun. Contact particulars will be issued closer to the start date to competitors and support staff.

ACCOMMODATION

52. Rustic camping accommodation is available at Tamworth Pistol Club Thursday, Friday and Saturday nights. This consists of some van parking space, limited toilet facilities (one male, one female) and large indoor swag space with lighting and electricity.
53. The TPVRC has unlimited unpowered van/camper/tent area for Fri-Sat nights, but only one toilet and no power.
54. Visiting competitors wishing to make use of these facilities should so indicate on the nomination form.
55. A wide range of motels, hotels, and caravan parks are available nearby in Tamworth.

ADVANCE PARTY

56. TPVRC is to arrange an advance party to stand up from 0800hrs Fri 25 Mar 2022. A list of essential tasks for the advance party is attached at **Annex M**.

WAIVER OF LEGAL LIABILITY

57. Live fire range competition is a dangerous recreational activity within the meaning of sect 5M of the Civil Liability Act 2003 (NSW). All competitors and range support staff by submitting an entry form or volunteering to provide support acknowledge that they have been warned of the risk of personal injury from engaging in this activity. This warning is given on behalf of TPVRC and the landowner on which the range is located.

CONCLUSION

58. The Rifle component of TAMSAM will provide 2 days of intense and demanding service rifle competition. This inaugural meet will lay the groundwork for an expanded shooting meet in future years and fill the need for civilian military Rifle shooting competition that is presently not fully developed in Australia.
59. Close attention to detail by all competitors and support staff will ensure a safe and enjoyable competition.

SAFETY BRIEF

General

1. All key appointment holders must be familiar with the safety requirements of Ref D to E.

Communications

2. Communications with OIC Practice (OIC) must be maintained at all times. If communications *fail*, the practice is to *stop* until re-established.

Range Control

3. Directives from OIC are to be carried out promptly.

Conduct and Safety Brief

4. Prior to commencement of the competition, a conduct brief must be given by the OIC followed by safety brief by the Chief Safety Officer (CSO) to all those present and must include the points listed below.

Safety Brief to Firers

5. Range safety is the responsibility of everyone on the range. The Range OIC and Safety Officers are responsible for supervising your actions but you, the firers, are also responsible for your own actions when handling a firearm.
6. This competition involves you in engaging targets at 300-50 metres. You will be changing firing positions during the shoots.
7. The points to note are:
 - a. Firearm Handling:
 - (1) Ensure firearms are pointed in a safe direction at all times when loaded.
 - (2) Action on a stoppage occurring.
 - (3) Action to be taken if hangfire.
 - (4) Condition of firearms during a practice involving a change of fire position.
 - b. Range Safety:
 - (1) Emergency signal to cease fire and action to be taken on hearing/seeing that signal.
 - (2) Position of the first aid kit.
 - (3) All commands by the OIC and appointed Safety Officers are to be obeyed instantly and without fail.

- (4) All firearms must be cleared by an authorised Range Officer before removed from the mound.
- (5) Before competition/practice, competitors are not to place their rifles on the mound until ordered to do so.
- (6) All bolts are to remain open until otherwise directed by the range officer.
- (7) There is to be no handling of firearms whilst competitors are down range.
- (8) All firing is to be on the command of the Range Officer. All range commands, i.e. "Load, Action, Fire, Cease Fire, Unload and Show Clear" and whistle blasts are at all times to be complied with.
- (9) Safety catches are to be applied when in the "Action" condition.
- (10) When on the firing line, firearms are to be pointing down range at all times. Fingers are to remain off triggers and outside the trigger guards, unless actually firing.
- (11) Spectators are to remain behind the defined Safety Line
- (12) In the event of an 'accidental discharge' (AD) / 'unauthorised discharge' (UD), the Range Officer will call "Stop". On this command, all competitors are to apply safety mechanisms and keep their firearms pointed down range, until the Range Officer has investigated the reason for the AD / UD. Any competitor responsible for an AD / UD will be suspended from that detail and asked to show cause for not being suspended from that day's shooting. The Range Officer's discretion will apply and be final.
- (13) In the event of a misfire, a competitor must not open the action of the Rifle for at least 30 seconds, during which time the Rifle must continue to be pointed down range. It is the competitor's responsibility to inform the Range Officer immediately of any such occurrence. If the extracted round shows a firing pin indentation, another round shall be allowed and the competitor allowed to continue the event.
- (14) Persons who fail to abide by the above rules and orders may be expelled from the range at the absolute discretion of the Range Officer.

Safety Officer

8. The Safety Officer is to make certain that the following takes place:
 - a. all firers are aware of the safety requirements of their range;
 - b. smoking/no smoking areas are pointed out and understood by all;
 - c. only authorised pers to be near the firing line;
 - d. all competitors and range staff are to have hearing, eye and foot protection.

Accidents/Incidents

9. All accidents/incidents are to be reported through the OIC Practice immediately.

Conclusion

10. Safety is paramount. If at any time you are unsure on any safety issue **STOP** and ask.

ADVANCE PARTY TASKS

The tasks required to prepare for the meet by TPVRC are as follows. This includes preparation well in advance but all items must be complete by the end of **Friday** preceding the meet.

Ser	Task	Qty	Remarks
1	Scoring software	1	Scorer
2	Squadding preparation		Scorer
3	Entries consolidated/entered		Scorer
4	Score sheets prepared/printed		Scorer
5	Match cards prepared/printed		Scorer
